## THE HUNSTEAD HAMLET DEVELOPMENT — DETAILED OVERVIEW

A Living Showcase, A Nomadic Gateway, A Regenerative Community Hub

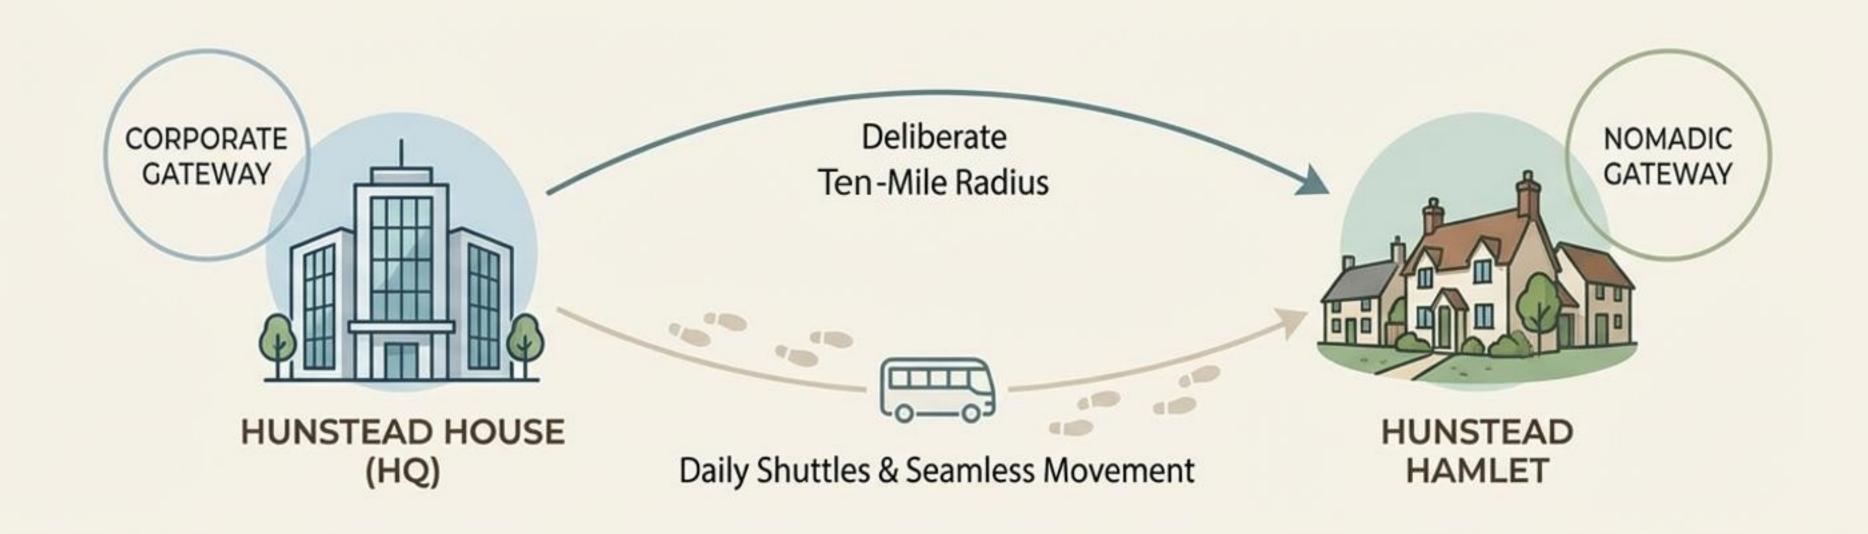

#### A Regenerative Micro-Village Blueprint

- 10–20 Restored Heritage Cottages
- Walkable Nomadic Ecosystem
- Community, Culture & Creativity Hub
- Living Showroom for Hunstead Model
- R&D Lab for Modular Creatives
- Scalable European Prototype

### THE DELIBERATE ONE-MILE RADIUS: BRIDGING TWO WORLDS

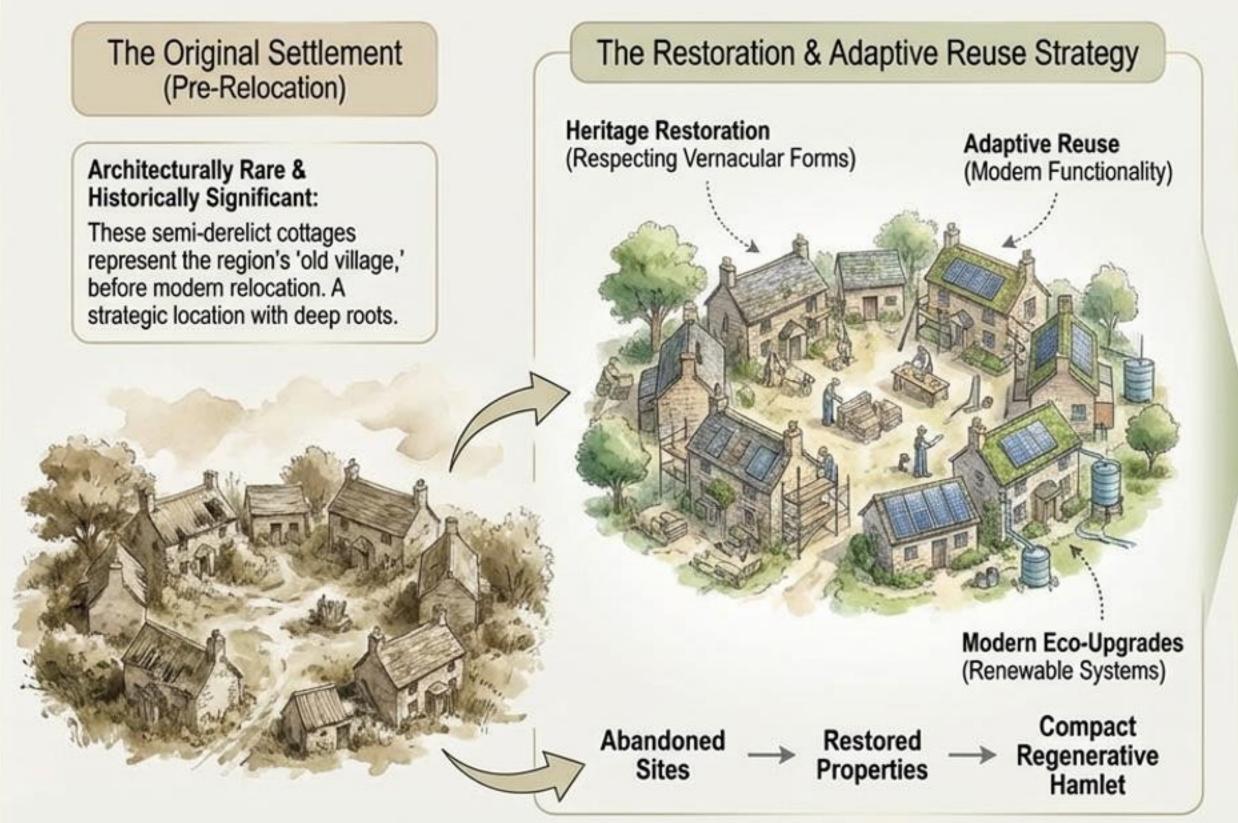

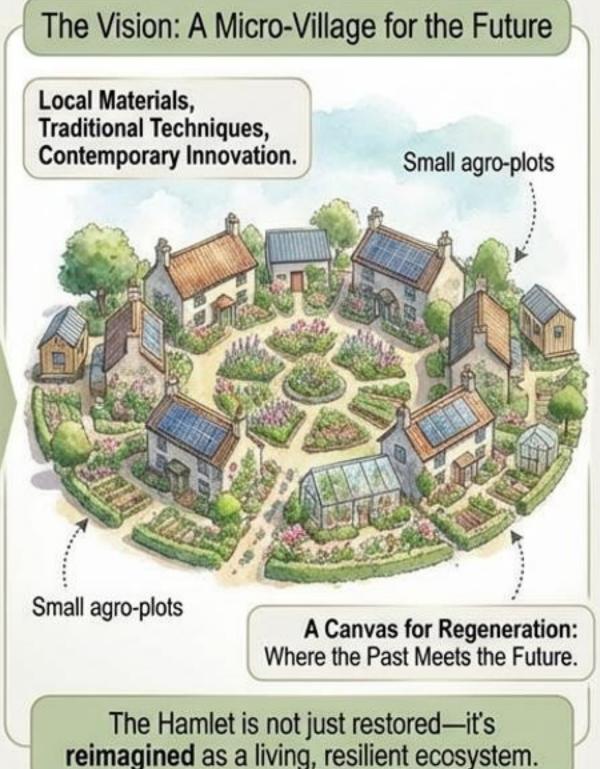

- PROXIMITY FOR ACCESS: Close enough for daily shuttles, enabling HQ staff, investors, and volunteers to connect with the Hamlet.
- DISTANCE FOR IMMERSION: Distant enough to feel like entering another world, a unique regenerative environment.
- SEAMLESS INTEGRATION: Allows easy movement between executive briefings and hands-on hamlet life.

Reinforcing the Twin-Gateway Model: Bridging Corporate ESG and Nomadic Experience.

### THE HUNSTEAD HAMLET DEVELOPMENT — ORIGIN & RESTORATION STRATEGY

From Abandoned Heritage to a Future-Proof Regenerative Micro-Village

### Turning the Hamlet from Cost Centre to Self-Financing Expansion Engine

## THE HUNSTEAD HAMLET DEVELOPMENT — SUMMARY:

A Living, Regenerative System

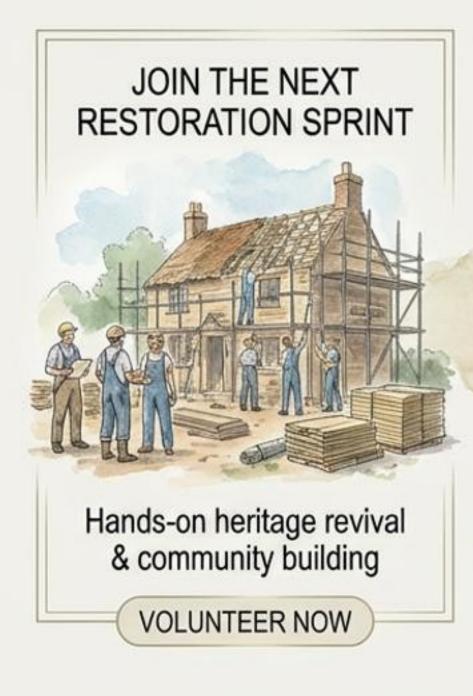

These functions are mutually reinforcing layers of a single living system, where every restored wall and shared meal propels the wider vision.

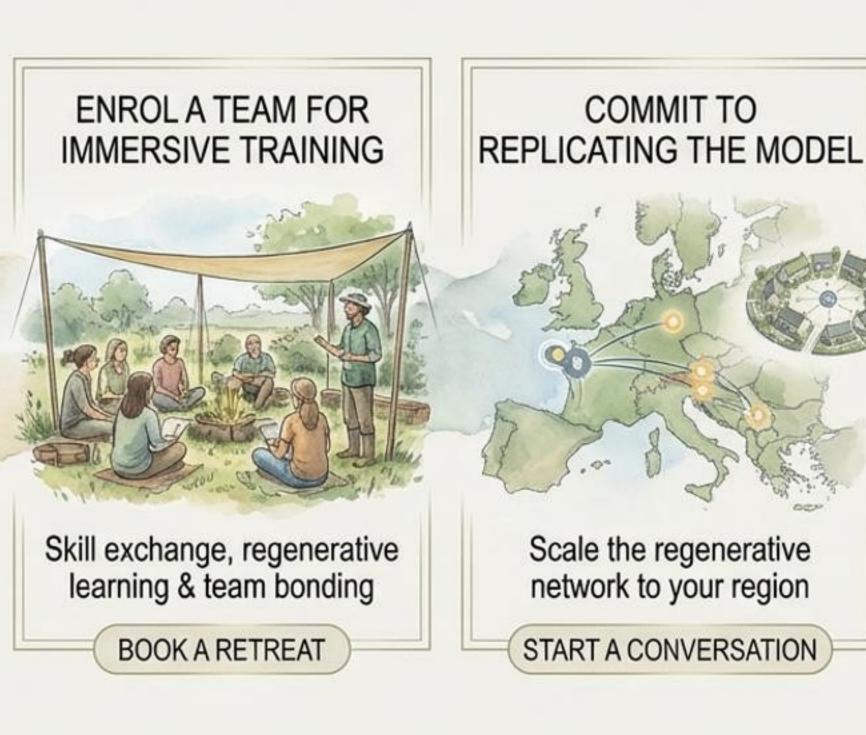

Where Regeneration Becomes Visible, Community Tangible, and the Vision Real.

### INVITATION: BE PART OF THE HUNSTEAD MOVEMENT

Where regeneration becomes visible, community becomes tangible, and the continental network begins with hands already on site

The Hamlet is an open invitation: Come build the future with us.
